ADMINISTRATION RESOURCES

Put World Kindness Day on the School Calendar

November 13th, 2019 is World Kindness day, mark it on the School Calendar and in all school publications. Including newsletters, blogs, twitter posts, etc.

Highlight World Kindness Day at Weekly Teacher Meetings

Daily Announcement

Give a brief history of World Kindness Day and ask each student to try to do one kind thing for another person today. Highlight a kindness ambassador at your school and ask them to come to the office for a special treat.

Kindness Drops

Hand out Kindness Drops to all staff so they can catch students being kind. Drops will say, Thank you for adding “A Drop of Kindness” to our school community! Watch the Ripple! Effect!

Host an assembly

On World Kindness Day, talk about kindness, use one of our lessons under teacher resources and **view a video about kindness**. A few of our favorite Kindness videos include

- A. Kindness Boomerang “One Day” by [Lifestinside](#)
- B. “One Day” remake by [Kim Bryner’s 3rd Grade](#)
- C. “Start a Kindness Club” [Kind Kids Club](#)
- D. “Color your World with Kindness” by [A Better World](#)
- E. “I Have No Words”—Video [HERE](#)

Kindness Secret Agents

Invite one class, a grade or your kindness club to be your Kindness Secret agents. Have them complete kindness missions and then highlight them at the assembly, talking about how they made everyone feel and then thank them.
