PTA RESOURCES

Put World Kindness Day on the PTA Calendar

November 13th, 2019 is World Kindness Day, mark it on the PTA Calendar and in all PTA publications prior to the date.

Get Involved

Ask your school principal how parents can get involved in bringing a little kindness to their school community. Send the line of One Drop of Kindness resources to school administration and teachers.

Keep it Simple

Pick one project at the school that parents can complete on World Kindness Day at various times throughout the day.

Create World Kindness Day Bulletin Board

Create a World Kindness Day Bulletin Board in a visible space at the school. A brief history of World Kindness Day and logo are available on One Drop of Kindness website: www.jeffkubiak.com

Kindness Drops

Give kindness drops to the parents to fill out for their children's teachers, principals, specialists, etc.. Parents can ask their children to give an example of how a teacher or staff did something kind for them. Write it down and post on the world kindness day bulletin board for all to see.

Host an assembly

On World Kindness Day, talk about kindness, use one of our lessons under teacher resources and **view a video about kindness**. A few of our favorite Kindness videos include

- A. Kindness Boomerang "One Day" by [Lifestestinside](#)
- B. "One Day" remake by [Kim Bryner's 3rd Grade](#)
- C. "Start a Kindness Club" [Kind Kids Club](#)
- D. "Color your World with Kindness" by [A Better World](#)
- E. "I Have No Words"—Video [HERE](#)
